

STRATEGIC PLAN OVERVIEW

Vision – to provide a happy, safe environment where children will do more, know more, remember more.

Quality of Education

Teaching excellence and delivery of a curriculum that is engaging, scaffolded and sequenced, such that all children have the provision they need to achieve their potential.

A consistently safe and supportive environment that enables pupils to develop and staff to work to their maximum potential.

Behaviour and Attitudes

Personal Development

Provide a learning environment that enables children to build self-esteem, confidence and life-skills in accordance with the Nurture UK accreditation

Strong and robust leadership throughout the school.
Attract, retain and develop teachers with the right skillsets to provide quality teaching.
Strong and effective governance

Leadership and Management

EYFS

Provide the highest quality care and education for all our children in the Early Years thereby building strong foundations for their future social and academic progress.

Strong engagement between school, parents and the wider community.

Engagement and Partnership

Financial & Premises Management

Develop and maintain strong financial management practices and deliver the best value for money from the financial resources available. Ensure EPPS provides a safe and fit-for-purpose school environment.
