## Newsletter - KINDNESS SPECIAL

Term 2 Week 4

Friday 21st November 2025

Dear parents and carers,  
Please enjoy reading this special newsletter, sharing the many fabulous

demonstrations of kindness that we have been notified about over the past week - all of the children have been recognised and commended today in our Friday Celebration Assembly. We also had lots of kind acts in school throughout last week and they are still ongoing - one example being a thoughtful Year 1 came into the courtyard on Monday asking if they could sweep the leaves up as they didn't want any other children slipping over. At East Peckham Primary, we instill in our children positive behaviours with the intention that they will be embedded to ensure the children go on to become

positive global citizens. Celebrating World Kindness Day is an opportunity to recognise the kind acts and deeds that the children do all year round. Thank you so much for supporting all of our efforts to continue to be a nurturing school. I would also like to thank our amazing Year 6 Wellbeing Champions for organising the Bake Sale - which raised nearly £100 to purchase more items for our calming courtyard. As our children have demonstrated - we might not be able to change the world in a day, but we can change the world for one person by being kind to them.

*Mrs Smith*

Volunteering at the 'Community Fridge' - a community initiative to help fight food waste, helping to hand the food out to people who came.

Buying chocolates and flowers to surprise their auntie.

Using their own pocket money to donate to Children in Need.

At the kindness bake sale, buying Mum a cake using their own money (and giving Mum a hug too!).

Shared the cake they bought from the kindness bake sale with Mum.

Helping out at home by loading the dishwasher.

Handed out birthday treats to their classmates.

Helping out at home by doing the hoovering.

Helping their childminder at snack time with the little ones after school.

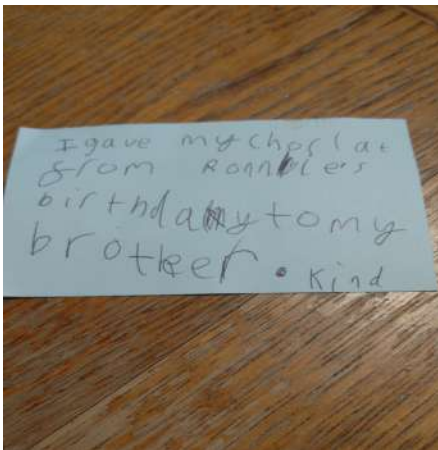

Making rice crispie cakes and handing them out to their neighbours.

Baking cookies to cheer their Grandad up.

Going out of their way to help Mum (who has an elbow injury) with as many things as possible, including cooking and looking after the garden - really going above and beyond and even helping in the evenings, despite feeling tired!

Sharing their chocolate with their brother.

At Smyths toy shop, buying their little sister a toy out of their own money. Little sister was very happy!

Making a card for their neighbours.

Planting some bee friendly flowers in their garden.

Writing lots of lovely notes for their family and friends! Mum said "the note she wrote for me even made me cry — I did explain they were happy tears!"

Spending their Sunday baking chocolate brownies and banana bread for all their classmates to enjoy on Monday!

Donating a selection of their toys to the vet hospital so the animals would have something nice to cuddle.

Helping Mum and Dad around the house with chores so they can spend more time together and telling their friend that their hair looked nice!

Helping with unloading and packing away the weekly shop without having been asked to help this weekend. This was very helpful to Mum as it got the job done in less than half the usual time.

Noticing that there was a leak coming from their elderly neighbours house. Then went round to show him the leak, for which their neighbour was extremely grateful.

Helping tidy up books in East Peckham library, sharing with their sister and helping to put away the shopping.

After being invited to watch some fireworks on Saturday night, they used their own money to buy the Mum flowers to say thank you for inviting them.

Giving up their own reading time to read a story to their little brother instead.

Baking cookies to give to friends.

Using their own money to buy their little sister a Remembrance Day band in her favourite colour - pink! 💕

After 3.5 hour walk around Bedgebury park, helping Mum tidy away lots of heavy camping equipment in the garden so she didn't have to do it on her own.

Going through all their reading books and donating over 10 to charity.

Buying flowers for their Nana to surprise them.

Helping out around the house by tidying up and choosing toys to donate to charity.

Taking it upon themselves to help a little boy who was struggling to find and operate a games machine. They went over and helped the little boy and stayed with him and helped until his parents came over.
